

aaHG GROUP CONSCIENCE MOTION

Please present this motion to the AAHG GC

Motion

We move that aaHomeGroup register with **Online District 20, Area 48 Northeast New York**, within the U.S./Canada General Service structure.

Intent / Purpose

As a committee, we reviewed six online district options and recommend District 20, Area 48 as the strongest current fit for aaHomeGroup based on online participation, international service access, GSR support, hybrid Area participation, and established service opportunities.

To support an informed Group Conscience, the committee also held **two information workshops at different times so both U.S./Canada and international members could hear the findings, ask questions, and consider the recommendation before a decision is made.**

Current Practice

aaHomeGroup has a GSR and Alternate GSR and its bylaws provide for participation in a online District and Area, but aaHomeGroup is not yet registered with a Online District and Area.

Budgetary Impact

No immediate budgetary impact from this motion. The Financial Ad Hoc Committee has prepared a separate recommendation for Group Conscience approval regarding future contribution amounts and percentages.

Andy

London UK

I as a committee member also move for this motion to add another in the "We" portion of this motion.
